GARDENING COMMITTEE SEPTEMBER, 2001

Not really much to report this month. Attached is a copy of Susan's August report.

#9-#11 – Some ground cover or flowers still need to be done.

#10 – Sod was laid in front of their back gate around lake pump. Looks much better.

#42 - Contacted Susan and advised of weeds in sidewalk and she said she would take care of.

Also, advised Susan of trash along the hill outside of the gate. She advised me that she has her crew clean that every Monday.

Susan has also asked me to check with Joseph on the renewal of her contract. She said there has been an increase. Check with Joseph.

Have called Andy at Topes to schedule a full day of tree trimming. Need to discuss with Jack on his input. I feel that they need to continue in the back areas on the hill behind unit #11 up to the tennis courts. Wolfgang has expressed a concerned about some dead areas on trees directly behind his unit as well as a tree that is hanging on his back roof. This needs immediate attention.

Thank you,

Pat Claus

Gardening Committee
