Re: Lake Project

Beginning Monday, October 26, 2020, Solitude Lake Management will begin the approved Lake Project. They will be arriving at approximately 8:00 am. We apologize for any inconvenience this may cause. This project is expected to be completed by Friday, October 30, 2020.

In order for this project to be completed, the circulation pump for the lake and the fountains had to be turned off. You may notice a strong odor from the lake for the next few days while this project is undertaken. Additionally, you may see a red discoloration in the lake shortly after the completion of the project. This is normal and will be treated if this occurs.

We ask that for your safety you stay away from any tools or machinery being used.

If you have any questions or concerns regarding this project, contact us by phone at (831) 647-2442 or via email at [lcunningham@regencymg.com](mailto:lcunningham@regencymg.com).

Thank you,

Regency Management Group
