

Dear Residents of the Glen and Glen Heights,

As per discussion at our last board meeting, it was voted to continue to encourage dog owners to guide their pets to the designated areas marked with rocks across from units 82, 86, 92, and 100. This in no way eliminates dog owners' responsibility to pick up waste in any area of the Glen as per the City Ordinance. Please do not allow dogs to relieve themselves on the main lawn to avoid brown spots. We continue to try and reduce the cost of plant replacement and repair, so walking your dogs away from people's yards helps in this endeavor.

We also want to make you aware of complaints of barking at early hours in the morning. This can be a noise violation for neighbors who are trying to sleep.

Please remember to send your concerns directly to our Management Company and not directly to Board Members.

Being considerate pet owners makes the Glen a friendly and special place to live.

Respectfully,
The Board

Sincerely,
