Dear Residents and Owners of Glen Lake and Glen Heights,

Just a friendly reminder to walk your pets around the outer circle away from people's yards. The plantings across from 82, 84, 86, 92 & 100 have been marked as the designated waste area. Please try to guide your dogs there.

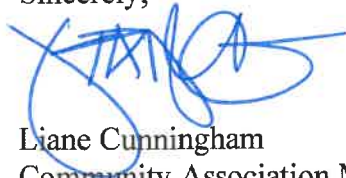

This in no way eliminates pet owners' responsibility to pick up waste in any area of the Glen as per the City Ordinance of Pacific Grove.

The Glen's Landscape committee continues to try and reduce the cost of plant replacement and walking your dogs away from people's yards will help so much in this endeavor.

If you have questions or concerns, please contact Liane at the Regency office (831)647-2442 or email at lcunningham@regencymg.com.

Thank you for your cooperation.

Sincerely,

Liane Cunningham
