Re: Hydro-Jetting

Beginning Thursday, October 29, 2026, Everclear Hydro-Jetting will be hydro jetting all the storm drains, and patio drains around the property. They will be arriving at approximately 9:00 am. They are expected to be completed by Friday, October 30, 2026.

While every precaution will be taken, **you must remove all items on your patio, this includes potted plants, floor mats, decorations, and furniture prior to the start of the project to avoid accidental damage by workers.**

Please be advised that the Association nor Thelander Management Company will not be responsible for any damage to personal items left on the patio.

We apologize for any inconvenience this may cause. We ask that for your safety you stay away from any tools or machinery being used.

If you have any questions or concerns regarding this project, contact us by phone at (831) 758-2855 or via email at Liane@thelandermgmt.com

Thank you,

Liane Cunningham
Management Agent
