

GLEN GAZETTE

Volume 3, Issue 5

October 1990

Introducing New Glen Residents

Mr. Bud Reimers has moved into 98 Glen Lake Drive. He is in advertising and marketing and has been residing in Monterey.

Joe and Laurie Torres and their 2 year old daughter, Ashley, have moved into number 69. Joe is a fireman with Pacific Grove.

Welcome to the Glen!

Gutters and Down Spouts Proposed for all Units

There has been an on and off again approach going on for some time pertaining to down spouts and gutters the "The Glen." As you probably are aware, our neighbors above, at Glen Heights, have gutters and down spouts. Some of our homeowners have requested permission from the Board to put them up on an individual basis. We made a decision that it would be best if all units had down spouts and gutters, rather than just in a few.

At present we are waiting for bids to come in on the entire project. We hope to have a decision and will announce it prior to our Annual Meeting on Nov. 7, 1990.

Landscaping, etc

John Vance and his crew have nearly finished cleaning up the dry shrubery, dead trees, and junk that surrounded the Glen. Please report any trash that might be thrown down from the properties above us. We now feel that we are safer from fire.

Silt is beginning to fill up the Lake again and will have to be removed in the near future. We all may want to contact our city councilman to request that the City defray some of the cost of removing silt from the lake. For now, the reeds will be removed by John and his crew.

One of our residents and her dog were recently bitten by a raccoon. John has placed covers over the drains to prevent the raccoons from coming into our area from the sewer.

Glen Garage Sale to be Held October 13.

If you wish to participate, contact Art Miller. Each participant will be in charge of his own things and will set up in his own drive or lawn area. Hours will be advertised and the gates will be left open during that time. Call Art Miller if you have any questions.

Message from the President

I hope all of you have noticed our flowers at the Entrance. I feel it is a nice added touch!

I was very sorry to hear about the incident with the raccoon and one of our residents. We must all take precautions regarding the wildlife in and around our complex. Keeping garbage cans inside until morning of pickup is helpful.

I am also pleased with the painting of the Guest Parking areas. I do wish to remind some of the new residents that those slots are not for you. The C.C.& R.'s, state that your garages are for parking your vehicles, and are not to be used for storage or warehousing. If you are unable to park your vehicle in the garage, it is to be parked outside the gate. Those of you who are in violation will be notified by the management company.

I hope everyone is enjoying the "Indian Summer" weather which is so special on the Peninsula at this time of year. "Happy Halloween" and have a successful garage sale.

Art Miller, President

Don't forget to vote.

Annual Homeowners Meeting

Wednesday, November 7, 1990

7:00 p.m.

St. Mary's Episcopal Church

Central Ave. and 12th

PG

Homeowners' Association Officers:
