New Board Members Elected

Charles Adams and Steven Sarris volunteered to serve on the Homeowner's Board. They were elected by acclamation by the forum attending the Annual Meeting. Greg McMenamin was also nominated and elected to another term of office.

Virginia Capra and Anna Lorenzen remained on the board.

At the November 20 board meeting, the board agreed that Virginia Capra continue as President, Greg continue as Treasurer and Anna continue as Secretary. Chuck Adams was elected as Vice President.

Lake Pumps in Need of Repair

A new category was added to the reserve fund list to provide future funds for the maintenance and possible replacement of the lake pumps at some time in the future.

The pumps are presently out for repairs. Hopefully they will be working again in the next two weeks.

Repair on Stream Banks Completed

Over the past weeks, the gardeners (John, Valentine and Ishmael) have been working on the stream, reinforcing the banks with rock to prevent further erosion. The work is now complete and they are to be complimented on a hard job well done.

Fence Needed in Certain Areas Around Glen

The board voted to seek bids for cyclone fencing to make the area more secure by fencing up the hill behind the first unit to the right of the gate and up the hill where the iron fence stops to the left of the garage near the play ground.

The recent problems with vandalism and theft along with constant trespassing on our property make fencing in the open areas desirable.

Message from Virginia

Welcome to our new board members, Chuck Adams and Steven Sarris. We appreciate your willingness to give of your time. We need people like you.

Thank you to Joy Hallis and Art Miller for the two year service on the board. We hope some time in the future they will want to serve again.

I would also like to express a very special thank you to Joy Hallis who has been our diligent gate sentry along with her trusty and fearless dog, Maggie. Joy is always willing to help and has been a great help to me. And much thanks to Craig Wooley, who keeps the tennis courts looking great.

If you have problems with your garage openers, call me for the name of a reputable and efficient Overhead Door company.

Virginia Capra, President
