March 1991

Neighborhood Watch and Self-Help Programs Scheduled.

The Fire Department will present their program to us on Thursday, April 11, at 7:00 P.M. at 71 Glen Lake Drive. Important safety and emergency information will be given. We would like a representative from each building. The meeting will only last an hour.

The Police Department Neighborhood Watch program will be April 18 at 7 P.M.

Those who think they would like to attend, please call Anna Lorenzen, 375-1876.

Do We Want a Spring Bar-B-Que???

If you would like to get together with your neighbors for a spring Bar-B-Que at the Tennis Court, please call Anna at 375-1876. We did this a couple years ago and it was fun. Let us know and we'll plan it.

Reminder about Guest Parking

The parking slots are only for guests. If you live in the Glen and can't get your car in your garage or driveway, then you must park it outside the gate.

Duties of Gardeners Reveiwed

During regular work hours, the gardeners will spend all their time working on Glen landscaping. All flower beds around residences are considered private and will be maintained by the individual owners, renters, or whomever they hire.

Spring Cleanup to Begin Shortly

Spring cleanup in the common areas of the Glen will begin shortly. The shrubs that were killed by the frost will be replaced.

President's Message

We are now in the process of having rain gutters and downspouts installed. The front of the two story units and the garages belonging to the single story units will be done first. When that work is finished, the rear of the buildings will be done. Finally to complete the work properly there will be metal flashing installed between the roofs and all gutters. Any adjustments required will also be taken care of.

If there are any questions, please feel free to call me.

Happy Spring to All

Virginia Capra, President

Gate operation:

Have your guests dial the number preceding your name on the Directory Board. Your phone will ring and you should dial 5. This tone opens the gate for them. If you forget your garage opener, dialing #GLEN will open the gate. The left button on your garage opener opens the gate.

Tennis Court

Our tennis court is located between units 17 and 19. It is for Glen residents and guests only. Please help to keep this area clean. Skate boards and bicycles are not allowed on the court. The gardener cleans the court on Mondays. Please let the president know if the Courts are being abused.

Parking

Cars must be parked in garages, parking areas and driveways. If there is not room to park your car in your garage and if it does not completely fit on the driveway, you must park outside the gate. It is against the law to park on the circle because it must be kept clear as a Fire Lane. The slots are **guest parking only**.

Speed Limit

The speed limit is **15 MPH**.

Garbage Pickup

Garbage Pickup is on Wednesday. Recyclable materials (paper, aluminum and glass) should be placed next to garbage every Wednesday.

Dogs

Dogs must be on a leash and taken beyond the fence or up on the surrounding hills for relief purposes.

Complaints

All complaints should be directed to the Glen President or any board member. Billing or account problems may be referred directly to Joseph Chaffers.

The time and date of the next board meeting will be posted on the mailbox cover.
