Gardening Committee

Our gardeners continue to keep the Glen looking very good. By now you've seen the trimming of dead wood throughout the Glen.

The Lake

The Lake will be "shocked" into life by using a special chemical. This will be done shortly.

Dog Watch

Please remember that it is the duty of the human in the unit, not the lovely animals depicted above, to pick up ALL SOLID WASTE. Please be considerate of your

neighbors. All waste must be picked up, not left on the lawn or the street.

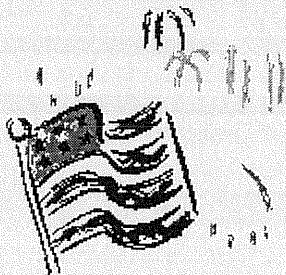

Past President **Chuck Adams** reported that the tennis court log is being complied with and the log is current. Thanks for your cooperation.

Disaster Preparedness

Craig Wooley has prepared an excellent report for the Glen, reflecting **Craig's** training in emergency preparedness. A copy is available for anyone to examine. Soon you will receive a questionnaire which will assist the Board in preparing for an emergency.

Fourth of July Picnic
