THE GLEN GAZETTE NEWSLETTER

Welcome to all of our new neighbors who moved in this past month! It is our utmost wish that you enjoy the quality of life that living in The Glen of Pacific Grove offers. I have always compared it to Mr. Roger's Neighborhood. We do our best to maintain a warm and welcoming neighborhood where we are present for one another.

This is the first newsletter for The Glen since the COVID-19 Pandemic. We on the Board of Directors, hope this finds all of you well and healthy! Throughout the Pandemic we have found ourselves fortunate to live within a more secure and protected environment within our privacy gates.

Please remember that according to the Monterey County Health Department website, "Wearing a Face Covering is recommended but not required while engaged in outdoor recreation such as walking, hiking, bicycling, or running."

On a FUN note, our tennis and pickle ball court should be in playing condition in the very near future. Work will begin on ASAP.

Our lake has the addition of two adorable ducklings. While you are duck watching, you can enjoy how nice the lake looks due to its regular maintenance by Solitude. There is however, silt accumulating at the narrowing near the pedestrian bridge. The Board is awaiting a bid for its removal.

On a gardening note, please remember our gardeners are working twice a week in The Glen of Pacific Grove. If you see anything you think needs gardening attention, please contact Regency. They will relay the information to the board and the gardening chairperson for the gardeners' attention.

We, on The Board, want to thank each and every one of you for being a kind and caring member of this community.

Be Well, Stay Well.

Diane Hardcastle and the Board of The Glen of Pacific Grove
