

August 2026

The Glen Gazette

A newsletter for The Glen of Pacific Grove Residents

Next Board Meeting Wednesday, August 19 at 5:00 pm.

Loud radios and TV's
There have been a few issues around the neighborhood where TV's and/or radios have been on at a high volume. Please remember that we all live fairly close together. As such, sometimes voices and TV noises can easily be heard in adjoining homes. Please be respectful of your neighbors and try to preserve the overall peaceful setting in our community.

Garage Sale
We've had a few residents express interest in having a community wide garage sale. If you are interested and want to participate, please let Management or one of the board members know. If enough people want to do it, we can set a date sometime this fall.

Roof Project
Looks like we made it through this phase of the roof project with just some minor issues. We still need to do the touch up painting to fill in the nail holes on many of the exterior boards. Expect to see painting crews around the neighborhood in the coming weeks.

Call for Candidates
If anyone is interested in serving on our board, please submit an application to management. There are two positions up for election.
The Annual meeting will take place in November.
