The Glen Gazette

A newsletter for The Glen of Pacific Grove Residents

Next Board Meeting Wednesday, February 18 at 5:00 pm. This is the Annual Meeting and the election for some of our board members will take place. You should have already received a ballot. We encourage everyone to vote. Please carefully follow the voting instructions included with the ballot!

A reminder: We will be using GoTo Meeting. You may want to download the free GoTo meeting app on your phone or whichever device you use for these meetings. A link will be sent out along with the Agenda the week prior. Last month we had a few people who had trouble accessing the meeting through GoTo, please contact management if you had trouble with access and we'll work to fix the issue.

Dog Park Proposal at Arnett Park. A group of citizens is proposing to turn the open area adjacent to our community into a dog park. This proposal places the park right along our fence line and just 40 feet away from several of our homes. About 6 citizens spoke at the PG Recreation Board meeting in favor of creating this dog park. One individual has promised to pay all costs for the development and maintenance of the park.

> ***In order to adequately represent our community, the board needs to know your thoughts on this proposal. Please contact management or one of the board members if you have an opinion.***

The next Recreation Board meeting is on Feb 26 at 4:00 pm.

Contact Info:
Community Manager - **Liane Cunningham** (Thelander Management) - **(831) 758-2855, Extension 6** or liane@thelandermanagement.com**.
