Update on the Dog Park Proposal at Arnett Park - On Feb 26, the Pacific Grove Recreation Board held their monthly board meeting. Several of our residents attended and most spoke before the board. Everyone who spoke stated they were against the dog park proposal for Arnett. One additional neighbor who lives nearby also spoke against it.
Two citizens spoke in general terms about the positives of creating a dog park in PG. The Recreation Board is now considering other proposals and parks for this project.
We had good responses from the various city officials we met with before the meeting. They assured us that nothing would move forward on Arnett Park without careful study by the city, Traffic and Safety Assessments and neighborhood input.
Bottom line - the Dog Park proposal at Arnett is probably unlikely. We will continue to keep an eye on the Recreation Board Agendas, and update everyone if anything changes.

Remembering Dick Nutter – Earlier this year, long time Glen resident Dick Nutter passed away. A Korean War veteran, and Monterey County's Agriculture Commissioner for 27 years, Dick also served on many boards and spent his lifetime helping others and volunteering in many organizations throughout our community. There was a wonderful tribute to him in the Feb 13 Edition of the Carmel Pine Cone and in the Californian. We want to pass along our sincere condolences to his wife, Stephanie and her family.
